Release the gate of beautiful  
I am staying down to hide in rooms away  
These tears they build me up a house  
Then they pour on down and wash the house away  
And I am left to fight the waves  
(He's around me constantly)

I kissed these lonely tears I shed goodbye  
Because I'm bittersweet, without you father there's no  
reason  
I kissed these lonely tears I shed goodbye  
Because I'm bittersweet

Close up my heart it makes me feel  
Like these rooms will close in, locking all the doors  
With these hands and broken stones  
I have built a legacy and now it's time to move on,  
move on  
(He's around me constantly)

I kissed these lonely tears I shed goodbye  
Because I'm bittersweet, without you father there's no  
reason  
I kissed these lonely tears I shed goodbye  
Because I'm bittersweet

He's around me constantly  
(He's around me constantly)  
He's around me constantly  
(He's around me)

I kissed these lonely tears I shed goodbye  
Because I'm bittersweet, without you father there's no  
reason  
I kissed these lonely tears I shed goodbye  
Because I'm bittersweet  
(He's around me constantly)
