Runaway, runaway, breathe this in
The waters wait, waters wait
Wide awake, wide awake, breathe this in
The waters wait, waters wait
Asking if you are, are

Erased, everything within you will feel
Erased now
Erased, everything within you will feel
Erased now

Everyday, everyday
Houses full of no escape, no escape
Runaway, runaway, it starts to pull
He's in this place, in this place
To question who you are, are

Erased, everything within you will feel
Erased now
Erased, everything within you will feel
Erased now

Who am I? Now who am I?
I will fade
Who am I? Now who am I?
I will fade

Erased, everything within you will feel
Erased now
Erased, everything within you will feel
Erased now

Who am I?
Everything within you will feel
Now who am I?
Everything within you will feel

Who am I?
Everything within you will feel
Now who am I?
Everything within you will feel

Erased now
Erased now
Erased now
Erased now
