This[Incomprehensible] blows so softly
The movement still is in my mind
This flag from [Incomprehensible] Reedsport
Will start to catch beneath the wind
Catch beneath the wind

It's only in your dreams
It's only in your dreams
So exit the fall and now it's over
It's only in your dreams

This flight comes, it's nameless
The dark is calling out my name
Escape with no traces
The movement burns inside my veins
Burns inside my veins

It's only in your dreams
It's only in your dreams
So exit the fall and now it's over
It's only in your dreams

By now the sun is seen
I thought I made it clear

This is the flight, this is the fall
(By now the sun is seen)
This is the flight, this is the fall
(I thought I made it clear)

Dreams
It's only in your dreams
So exit the fall and now it's over
It's only in your dreams

And now it's over
It's only in your
And now it's over
It's only in your

And now it's over
It's only in your dreams

And now it's over
