I couldn't catch my breath
Or calculate my death
Design of secret lace
And now I'm lost in space
And now it comes to this

I'll close the door
There's no one home
(Everywhere I go)
I'll catch my breath
(Things are changing)
But why half live

Alone, isolation, half live

The creaking of the gate
The spies, they hide and wait
You think I'm deaf to hear
My cameras everywhere
Now we've come to this

I'll close the door
There's no one home
(Everywhere I go)
I'll catch my breath
(Things are changing)
But why half live

Blinking lights, monitors
Survey the sides
(Of my isolated world)
Blinking lights, monitors
Survey the sides
(Things keep changing)

Blinking lights, monitors
Survey the sides
(Lost and alone)
Blinking lights, monitors
Survey the sides
(Things get stranger)
(Everywhere I go)

I'll close the door
There's no one home
(Everywhere I go)
I'll catch my breath
(Things are changing)
But why half live
(Everywhere I go)

A life of love, a day of frost
A heart of stone, a moment's lost
Another cause, a purpose tossed
Another friendship lost
(Everywhere I go)
