All these nights that
we would stay up late
and talk about
all these things

and this was all we had
these days are gone
it's all so sad

Don't walk away from me
you're the only one
who ever said this to me
don't walk away from me
cause i cant go on, if you're not right here with me.

The days they go so slow
and memories
are of her that i won't let go
of what i held so deep
i can't go on
and i can't sleep

Don't walk away from me
You're the only one
who ever said this to me
don't walk away from me
cause i can't go on
if you're not right here with me.

I can't go onnnnnn
if you're not here with meeeeeee

I can't go on
if you're not here with meeee....

Will u sleeeep tonight
will this be alright

don't walk away from me
you're the only one
who ever said this to me

don't walk away from me
cause i can't go on
if you're not right here with me.
