I will never let you go
I will never let you go

LET GO---!
LET GO---!

[Instrumental]

Oh, sweet Celia
Will you be mine tonight
In these graveyards where we lay
Until the early mourning light

Oh, the times
That we kissed
I would never let you leave
But I'll wait for you forever
I will wait for you until you

Bleed---

[Chorus]
I'll never let you go
This burns deep in my soul
I'll never

-STAY!-
Forever
I'll come back home

Oh, Vampiria
Will you be mine tonight
In these tombs where we will sleep
Until the dawn of the moonlight

Oh, the nights
We would kiss
How I wish that you could stay
But I'll wait for you forever
I will wait until our dying-

Day---

[Chorus]

I'll never let you go
This burns deep in my soul
I'll never

-STAY!-

Forever

-STAY!-

Forever

I'll come back home

[Instrumental]

Hold your head back
Hold your head back
Hold your head back tonight

Hold your head back
hold your head back
So your face won't rot
When it hits-

THE LIGHT!

[Chorus]

I'll never let you go
This burns deep in my soul
I'll never

-STAY!-

Forever

-STAY!-

Forever

(I'll come back home)
