LET'S GO---!

Go! Go! Go!  
Go! Go! Go!

These people told us our whole lives  
That we would never make it through  
They tried to rob us of the things we had  
Now what should we do

[Chorus #1]  
Well I'm going to say  
What I have to say  
Cos I'm holding on  
To these things today

These people told us our whole lives  
That we would never make it through  
Hold onto what you believe  
And stay true

[Chorus #1]  
Well I'm going to say  
What I have to say  
Cos I'm holding on  
To these things today

[Chorus #2]  
Well I won't let you  
Get the best of me  
Cos I'm holding on  
To everything  
My hopes and dreams today

You better look out  
Cos I'll never let you bring me down today

[Instrumental]

You'll never bring me down  
(Never bring me down!)

You'll never bring me down  
(Never bring me down!)  
You'll never bring me down  
(Never bring me down!)

WOWWW---!

[Chorus #1]  
Well I'm going to say  
What I have to say  
Cos I'm holding on  
To these things today

[Chorus #2]  
Well I won't let you  
Get the best of me  
Cos I'm holding on  
To everything  
My hopes and dreams today
