Honey, you're as fake as these four walls  
They fall around me now  
(They fall around me now)  
(They fall around me now)

All these years have passed  
And I still cannot figure out just how  
(Just how)  
(Just how)

What would it take to let this go  
I guess that you will never know

When-

[Chorus #1]  
Honey, you're as fake as I can see  
Open up your heart and  
Let your love go  
Let your blood flow

[Chorus #2]  
Honey, you're as fake as I can see  
Open up your heart and  
Let your love go  
Let your blood flow now

These years have passed  
Don't say this to me  
You took his life  
Right from the start

And will he get to see  
See these better days  
Will he ever see  
See another way, yeah

You took the best of me!

[Chorus #1]  
Honey, you're as fake as I can see

Open up your heart and  
Let your love go  
Let your blood flow

[Chorus #2]  
Honey, you're as fake as I can see  
Open up your heart and  
Let your love go  
Let your blood flow now

[Instrumental]

Oh, now  
Oh, now  
Oh, now

Cross my heart and hope to die  
I'll never let you take my life, no  
Cross my heart and hope to die  
I'll never let you take my life, no

[Chorus #1]  
Honey, you're as fake as I can see  
Open up your heart and  
Let your love go  
Let your blood flow

[Chorus #2]  
Honey, you're as fake as I can see  
Open up your heart and  
Let your love go  
Let your blood flow now

[Instrumental To End]
