See them every day  
When they hang outside Subway  
But do they really know  
That it's just so hard to let it go

And will they ever see  
What this music means to me  
And I don't think that  
They will ever understand, no

[Chorus #1]  
Mall Goth, can't you see  
That you're never gonna be like me  
And when will you see  
That you're just another tragedy

They're up and down the town  
They'll follow you around  
But do they really know  
That it's just so hard to let it go

And will they ever see  
What this music means to me  
And I don't think that  
They will ever understand and  
They'll never know

[Chorus #1]  
Mall Goth, can't you see  
That you're never gonna be like me  
And when will you see  
That you're just another tragedy

[Chorus #2]  
Mall Goth, can't you see  
That you're never gonna be like me  
And when will you  
See that it's another tragedy

Oh, when will you see  
That you will never be like me  
When will you see

Why can't you see  
That you will never be like me

GO!

[Instrumental]

[Chorus #1]  
Mall Goth, can't you see  
That you're never gonna be like me  
And when will you see  
That you're just another tragedy

[Chorus #2]  
Mall Goth, can't you see  
That you're never gonna be like me  
And when will you  
See that it's another tragedy
