I saw you on my television screen  
In 1993  
And ever since that day I knew you were  
The only girl for me

With the blood dripping down your cheeks  
And the way you flick your long black hair  
Oh, will you be with me tonight  
Cos you're the only girl for me

[Pre-Chorus]  
Tell me  
That this is real  
And tell me  
All of this is true  
Let's go

[Chorus #1]  
Tell me  
Right now  
Tell me that this is real  
Cos I know that you're the only  
One I'll ever need  
Sweet Vampiria

Days went by and in the graveyard  
Where we had our first kiss  
I never really use to think about  
I never really missed

All the stupid things that these girls do  
All the stupid things that they say  
Please take me by the hand  
Cos you're the only girl for me

[Pre-Chorus]  
Tell me  
That this is real  
And tell me  
All of this is true  
Let's go

[Chorus #1]  
Tell me  
Right now  
Tell me that this is real  
Cos I know that you're the only  
One I'll ever need  
Sweet Vampiria

[Chorus #2]  
Tell me  
Right now  
Tell me that this is real  
Cos I know that you're the only  
One I'll ever need  
Sweet Vampiria  
Sweet Vampiria  
Sweet Vampiria

You are the only girl for me

[Instrumental]

Tell me  
That this is real  
And tell me  
This love is true, yeah

Tell me  
That this is real  
And tell me  
This love is true, yeah

[Chorus #1]  
Tell me  
Right now  
Tell me that this is real  
Cos I know that you're the only  
One I'll ever need  
Sweet Vampiria

[Chorus #2]  
Tell me  
Right now  
Tell me that this is real  
Cos I know that you're the only  
One I'll ever need  
Sweet Vampiria
