It feels so good to be by your side  
Oh darling let me be your guide  
>From tonight let's stay together  
There's a blue moon in the sky  
Tonight, It's there for you and I  
Darling, let my love surround you  
Oh but I'm so glad I found you  
I wish tonight could last forever  
Oh darling can we stay together  
>From now on let's vow we'll never part  
'Cos darling that will break my heart  
And when the light brings tomorrow  
Oh darling, will it bring me sorrow  
Will you let me hold you in this way  
Oh I wish tonight could last forever  
Tonight I feel it in the air  
Just look around it's everywhere  
Who knows where the night will lead us  
Oh it feels so good to hold you tight  
Hold you close without a soul in sight  
We came together without warning  
And stayed together 'til the morning  
I wish tonight could last forever  
Oh darling can we stay together  
>From now on let's vow we'll never part  
'Cos darling that will break my heart  
And when the light brings tomorrow  
Oh darling, will it bring me sorrow  
Will you let me hold you in this way  
Oh I wish tonight could last forever
