Now I made up my mind
But it's never too late
You can turn the tide in any conversation

You sway me when you say it that way
Oooh I imagine whatever you say
They call you Mr. persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's cos' you're Mr. Persuasion
That's cos' you're Mr. Persuasion

Now when you're on a roll
You're a real romancer
You got all the questions
and all the answers

You sway me when you say it that way
Oooh I imagine whatever you say
They call you Mr. persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's cos' you're Mr. Persuasion
That's cos' you're Mr. Persuasion

Now you could talk me into
Almost anything you want to
'Cos you're Mr. Persuasion
You'd convince me day was night
You never wrong, You're always right

Well I got a mind but I put it on vacation
That's 'Cos you're Mr. Persuasion

Ooh how You sway me when you say it that way
Oooh I imagine whatever you say
They call you Mr. persuasion
'Cos you can talk me up and down
And all you do is tell me that
That's 'cos you're Mr. Persuasion
That's 'cos you're Mr. Persuasion
