Wrap your arms around me

When you're so far away
At the end of each day
Counting the moments till you fade away
inside my soul
Under passion's control
Are feelings I can't find the words to explain
Just like the first time I'm helpless again

Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
>From the day you found me
You'll never be alone

The nights are so cold
With just your memory to hold
I've tried to be strong
Reaching out holding on
Alone in my bed
I cling to each words you said
Wanting you more everyday you're apart
And each precious moment is safe in my heart

Wrap your arms around me
Let your love surround me
Make love to me now like never before
Wrap your arms around me
>From the day you found me
You'll never be alone
