### "All In The Game"

Visit "[All In The Game](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's all in the game  
Now it's up to you  
You just have to believe  
There's a place where  
Our dreams come true

Everybody got something  
Something that is deep within  
It's hard to find  
Oh, but stretch your mind

You built your dream  
You built them high  
There's no reason  
You can't fly  
You've gotta go  
Oh, it's time for show

There might be times  
When you ask yourself why  
There will come a day  
Your whole body cries

It's all in the game  
Now it's up to you  
If you want to succeed  
There's no easy way out  
It's all in the game  
People win or loose  
You just have to believe  
There's a place where  
Our dreams come true

Oohh  
It's all in the game

Everyday you try to find  
A different way to cross that line  
It's up to you  
You know what to do

Winter, summer, spring or fall  
Just keep your spirit through it all  
The burning light  
Oh, it shines so bright

There might be times  
When you ask yourself why  
There will come a day  
Your whole body cries

It's all in the game  
Now it's up to you  
If you want to succeed  
There's no easy way out  
It's all in the game  
People win or loose  
You just have to believe  
There's a place where  
Our dreams come true

Oohh

You feel a fire deep within  
Now you know in your heart you can win  
Through the tears and through the rain  
You kept this fire, you live this flame

It's all in the game  
Now it's up to you  
If you want to succeed  
There's no easy way out

Yeaaaaaaaaaaaah...

It's all in the game  
Now it's up to you  
If you want to succeed  
There's no easy way out  
It's all in the game  
(Oh, yeah)  
People win or loose  
You just have to believe  
There's a place where  
Our dreams come true

It's all in the game  
Now it's up to you  
If you want to succeed  
There's no easy way out  
It's all in the game  
(Yeah, yeah)

People win or loose  
You just have to believe  
There's a place where  
Our dreams come true

Oohh  
It's all in the game
