You and me
We used to be together
Every day together
Always
I really feel
Like I'm losing my best friend
I can't believe this could be the end

It looks as though
You're letting go
And if it's real well I don't want to know

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me cause it hurts
Don't speak
I know what you're thinking
I don't need your reasons
Don't tell me cause it hurts

Our memories
They can be inviting
But some are altogether mighty
Frightening

As we die
Both you and I
With my head in my hands I sit and cry

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me cause it hurts (No, no, no)
Don't speak
I know what you're thinking
And I don't need your reasons
Don't tell me cause it hurts

It's all ending
You gotta stop pretending

Who we are

(Instrumental)

You and me
I can see us dying
Are we?

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me cause it hurts! (No, no)
Don't speak
I know what you're thinking
And I don't need your reasons
Dont tell me cause it hurts
Dont tell me cause it hurts
I know what you're saying
So please stop explainig
Dont speak
Dont speak
Dont speak, no!
I know what your thinking
And I don't need your reasons
I know you're good
I know you're good
I know you're real good (Oh...)
Lalalala
Lalalala
Don't, Don't, oh oh

Hush hush darling
Hush hush darling
Hush hush don't tell me cause it hurts
Hush hush darling
Hush hush darling
Hush hush don't tell me cause it hurts
