you'll remember me  
when the west wind moves  
upon the fields and vallies  
you'll forget the sun  
in his jealous sky  
as we walk in fields of gold

since she took her love  
for to gaze a while  
among the fields and vallies  
in his arms she fell as her hair came down  
among the fields of gold

will you stay with me  
will you be my love  
among the fields and vallies  
we'll forget the sun  
in his jealous sky  
as we lie in fields of gold

see the west wind move  
like a lovers soul  
upon the fields and vallies  
feel her body rise  
when you kiss her mouth  
among the fields of gold

i never made promises like this  
and there have been some broken  
but i swear in the days still left  
that we'll walk in fields of gold  
we'll walk in fields of gold

many years have passed  
since those summer days  
among the fields and vallies  
see the children run  
as the sun goes down  
among the fields of gold

you'll remember me

when the west wind moves  
upon the fields and vallies  
you'll forget the sun  
in his jealous sky  
as we walk in fields of gold  
we'll walk in fields of gold  
we'll walk in fields of gold  
we'll walk in fields of gold
