"Hot Lunch Jam"

Shady Sadie, serving lady
Don't pay her no mind, no
She'll take every dime

She's got a one a day lunch
Good for all the bunch, yeah
Hot lunch, yeah

Macaroni and baloney
Tuna fish, our favorite dish
Hot lunch, hey
If it's yellow, then it's jello
If it's blue it could be stew, ooh, ooh

She's got a one a day lunch
Good for all the bunch, hey, now
Hot, hot lunch

Oh, oh, no, yeah
Come on, say it now

Hot lunch, hot lunch
Hot lunch, hot lunch
Ooh, ooh, hot lunch
Hot lunch
