We always seem to be
Sister and brotherly
It's such a lovely way to be

And I want to say
What it means to me
How I could ever be the same without you

And something more that I know
Though I never could show
How it kept right on growing

The way I know I really feel about you
The way I know I'll always feel about you
Why can't we, why can't we, why can't we try

To play a love scene
We don't need the violins to play a love scene
Where we see how love begins

If we could find a way to start
And learn to play the part
A perfect scene from a play unknown
Let's play a love scene, of our own

And I want to say what it means to me
How I could never be the same without you
And something more that I know
THOUGH I never could show
How it kept right on growing

The way I know I really feel about you
The way I know I'll always feel about you
Why can't we, why can't we, why can't we try

To play a love scene
We don't need the violins to play a love scene
Where we see how love begins

Find a way to start and play it from the heart
A perfect scene from a play unknown
Let's play a love scene

Love scene of our own
