"Make Me Smile"

You've done it all
You've broken every code
You brought the rebel to the floor
You've spoiled the game
No matter what you say
For only metal, what a bore!
Blue eyes, blue eyes
How come you tell so many lies?

(CHORUS)

Come up and see me
Make me smile
But do what you want
Running wild!

There's nothing left
All gone and run away
Maybe you'll tarry for a while
It's just a test
A game for us to play
Win or lose, it's hard to smile
Resist, resist
It's for yourself, you have to hide, oh

(CHORUS)

There ain't no more
You've taken everything
From my belief in the earth
Can you ignore
My faith in everything
Cuz my faith's what it's for
The way, a way
Don't say that maybe you'll try

(CHORUS)

Come up and see me
Oh, come up and see
Come up and see me
Gonna make you smile

As performed by Ainslie Henderson & Marli Buck.
