Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo  
Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo

I worked so hard to get me a man  
Don't try to take him away  
I love my man like nobody can  
Don't try or you're gonna pay

You've been gettin? too close  
You've been goin? too far  
Who do you think you are?  
Some kind of star

You're headin? for a red light  
Hot night, satisfy, dynamite  
Red light, hot night, satisfy, dynamite

Red light  
(Red's the color of heart)  
Hot light  
(Hot's the fever I got)  
Satisfy  
(Red enough it could burn you)

Red light  
(Red is all I can see)  
Hot light  
(Hot is how it'll be)  
Satisfy  
(Red for you if you mess with me)

Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo  
Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo

Now I don't want you hangin? around  
My man is too hard to hold  
But if you plan on hangin? around  
I plan on stoppin? you cold

'Cause I'm ready to rock  
And I'm ready to roll  
I'm raging out of control  
Look out below

You're headin' for a red light  
Hot night, satisfy, dynamite  
A red light, hot night, satisfy, dynamite

Red light  
(Red's the color)  
Hot light  
(Hot's the fever I got)  
Satisfy  
(Red enough it would burn you)

Red light  
(Red is all I can see)  
Hot light  
(Hot is how it'll be)

Satisfy  
(Red for you if you mess with me)

Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo  
(Don't mess with me, now baby)  
Doo doo, doo, doo, doo doo, doo  
(You're gonna drive me crazy)  
Doo doo, doo, doo, doo doo doo, doo  
(Don't mess with me now)

Doo doo, doo, doo, doo doo, doo  
(Don't mess with me)  
Doo doo, doo, doo, doo doo doo, doo  
(You got that, you got that fever, oh, oh)  
Doo doo, doo, doo, doo doo, doo  
(You got that fever)  
Doo doo, doo, doo, doo doo doo, doo

Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo  
Doo doo, doo, doo, doo doo, doo  
Doo doo, doo, doo, doo doo doo, doo

Red light, hot light, satisfy, dynamite

Red light  
(I'm talkin' 'bout a real red light)  
Hot night

(I'll give you such a hell of a fight, yeah)

Satisfy

(Don't you try to take my man)

Dynamite

(I wanna hold on long as I can, yeah)

I worked so hard to get me a man

Don't try to take him away

I love my man like nobody can

Don't try or you're gonna pay

I'm ready to rock

I'm ready to roll

I'm raging out of control

Look out below

You're headin' for a red light

Hot night, satisfy, dynamite

A red light, hot night, satisfy, dynamite

Red light

(My man I wanna)

Hot light

(Hold on just as long as I can, I said a red light)

Satisfy

(A hot, hot night, baby, do it now)

Red light, hot light, satisfy

Red light, hot light, satisfy

Red light, hot light, satisfy
