Here as I watch the ships go by
I'm rooted to my shore
I keep asking myself why
And if there's more on the other side
Here as I see the friends I thought I made
A little bit crazed and knowing now
We've outgrown one another

CHORUS

Star maker
Dream breaker
Soul taker
We're happy now

Now when I see the things I want
I can take the things I see
But I keep asking myself why
And if there ain't just a little bit more for me
Here when it's time to count the cost
I keep measuring what I've lost
And wondering if you knew
It would all end up with you

CHORUS

Star maker
Dream breaker
Soul taker
We're happy now
Here as I watch the time go by
How I'd like to sail away
Leaving all my past behind
But I know I'd only last for a couple of days
Here stands everything I thought I made
It's the only life I know
And I can't even call it my own
I've got no hope, I belong to you

My star maker
Dream breaker
Soul taker
We're happy now
We're so happy now
