- Turn and walk away

We are alone here together
I rather be by myself
I thought that we be forever
But you turn and walk away

I'm in a state of denial
Tell myself IÂ'm OK
Putting our love on trial
You turn & walk away

REF:

And in my mind we are screaming and fighting
I tell you things that I never would say

But when we get round to it
You turn & walk away

I tried to keep on believing
Your feelings would never fade
I know who IÂ've been deceiving
When you turn & walk away

REF:

And in my mind we are screaming and fighting
I tell you things that I never would say
And if you donÂ't love me why canÂ't you just hate me?
So long as you feel something
WeÂ'll find a way

Somehow you just donÂ't get it
As you turn & walk away

//wailing//

REF:

And in my mind we are screaming and fighting
I tell you things that I never would say
And if you donÂ't love me why canÂ't you just hate me?
So long as you feel something
WeÂ'll find a way

Somehow you just don't get it
As you turn & walk away.....
