A SPECIAL CHRISTMAS

(Kr):Christmas time is something special
now it's time for celebrations.

Maria: It's like some magic spell
A fine fairytale neither
each star there wishes so strong
the best time of year is when christmas is near
Santa claus is on his way.
Everyone runs to get it all done
it's kind of fun when you get what you want
It's joy everywhere and it's love in the air.
Christmas is sneaking op on me.

You will be singing a song that reminds you
of have good it feels to be loved by someone.

REF: This year baby christmas will be
something special.
And I don't have many wishes all I want for
christmas
is for you to be here.
This time baby i'm really feel like celebrating
I guess that santa claus could here me
When I wished for something or someone
as special as you.

We're walking through town just splashing around
hear carols being sung there's a lot going on.
It's such a thrill you're spending christmas with me
I'm won't let you down in any way.
It's snowing again
the kids don't complain
a perfect excuse
to stay here with you
cosy and worm we'll leave the ways going on
we make a christmas over all

You will be singing a song that reminds you
of have good it feels to be loved by someone.

REF: This year baby christmas will be something special.
And I don't have many wishes all I want for christmas
is for you to be here.
