I've been wandering around the house all night  
wondering what the hell to do  
Yeah, I'm trying to concentrate but all I can think of is  
you  
well the phone don't ring 'cause my friends ain't home  
I'm tired of being all alone  
Got the tv on 'cause the radio's playing  
songs that remind me of you

Baby when you're gone, I realize I'm in love  
days go on and on, and the nights just seem so long  
Even food don't taste that good, drink ain't doing what  
it should  
things just feel so wrong, baby when you're gone

I keep driving up and down these streets  
trying to find somewhere to go  
Yeah i'm looking for a familiar face, but there's no one I  
know  
oh, this is torture, this is pain, it feels like I'm gonna go  
insane  
I hope you're coming back real soon, 'cause i don't  
know what to do

Baby when you're gone, I realize I'm in love  
days go on and on, and the nights just seem so long  
Even food don't taste that good, drink ain't doing what  
it should  
things just feel so wrong, baby when you're gone

Baby when you're gone, I realize I'm in love  
days go on and on and the nights just seem so long  
Even food don't taste that good, drink ain't doing what  
it should  
things just feel so wrong, baby when you're gone
