You think you got it go away  
everything is under control  
everything is going right  
I think you gotta lose it  
but wait untill tonight  
then you will turn up the light

You don't have to come to me  
'Cause I, see you in your dreams boy  
dont stay up and wait for me tonight  
catch your later boy  
dont you wanna get with me  
I catch your later boy  
you dont see the getters for me  
catch your later boy  
i'll see you in your dreams boy

Why dont you call me lose?  
I really need to coase  
so why you boog it for?  
but they say the love is blind  
but I'm not that kind  
so do i have to say on your mind

You don't have to come to me  
'Cause I, see you in your dreams boy  
dont stay up and wait for me tonight  
catch your later boy  
dont you wanna get with me  
I catch your later boy  
you dont see the getters for me  
catch your later boy  
i'll see you in your dreams boy

You want tell me the fill the way you do  
I treid so long  
I have to go so want you means to me

Dont stay up and wait for me  
catch your later boy  
dont you wanna get with me

catch your later boy  
you dont see the getters for me  
catch your later boy  
IÂ´ll see you in your dreams boy

Dont stay up and wait for me  
catch your later boy  
dont you wanna get with me  
catch your later boy  
you dont see the getters  
catch your later boy  
see you in your dreams boy
