Could this be the moment I've be waiting for  
All of my life  
It's a love that I feel include this  
Before real  
I don't know  
Could this be the moment I've be waiting for  
All of my life  
It's a love that I feel include this  
Before real  
Isn't soled

I get lost  
All the days  
Going down  
Falling deep under your spell  
And the way that you movin  
You grooving  
So reasoned that I fell, hey  
When you holding me tight  
I can fend and surrender to your kiss  
Cause I feel my defences go down  
When you doing me like this

REF:

Even do, I don't know  
What I do  
Why I'm ever wanna stop  
Cause the way that you making me fill  
Takes me straight up to the top (hue)  
Flying high  
Makes me right  
On the fill that I fall  
I wouldn't fine  
But it's here when you're near  
And I loosing  
Was used been up mine mind (yeah, ye)

REF:

Could this be the moment?
