VERSE 1

She's one of a kind, in the ??? design
Don't let her play with your mind, believe me she will
She's got mysterious ways, a miss America face
She'd leave you in a daze, believe me she will

BRIDGE

And she's all you want
That's why you fall
Right into the Danger Zone

CHORUS

She'll spinn you round
She'll take you down
Right into the Danger Zone
She'll spinn you round
She'll knock you out
You know she's got a heart of stone
But she's so beautiful, untoucheble

VERSE 2

Just one look in her eyes, and you'll be paralyzed
You'll do whatever she'd like, believe me you will

BRIDGE

And She's alla you want
That's why you fall
Right into the Dager Zone

CHORUS

She'll spinn you round
She'll take you down
Right into the Dager Zone
She'll spinn you round
She'll knock you out

You know she's got a heart of stone
But she's so beautiful, untoucheble

She's got mysterious ways
She's gonna leave you in a daze
But she's so beautiful, untoucheble

CHORUS x2

She'll spinn you round
She'll take you down
Right into the Dager Zone
She'll spinn you round
She'll knock you out
You know she's got a heart of stone
But she's so beautiful, untoucheble
