Take, take me tonight  
Let me be the one  
To spend my love on you  
Through cold and lonely nights  
What can I do  
Honey when you turn me on  
Keep me hanging on  
Won't you tell me  
Who you've been thinking of

Chorus

Baby baby when you hold me close  
(I'll tell you, tell you that you need me so)  
Do it do darling don't say no  
(I want you back don't you let me go)  
Loving me isn't undone that easily  
Easy come easy go take me back  
I'm running back, back, back to you

Look at me now  
I have nothing to hide  
It's you no one at all  
I'm lost without your love  
what can I do  
Honey when you turn me on  
Keep me hanging on  
Won't you tell me  
who you've been thinking of

Chorus

Baby baby when you hold me close  
(I'll tell you tell you that you need me so)  
Do it do darling don't say no  
(I want you back don't you let me go)  
Loving me isn't undone that easily  
Easy come easy go take me back  
I'm running back, back, back to you

I want, want you to be  
Be so close to me  
Everytime you're near

Won't you tell me  
Who you've been thinking of

Chorus

Baby baby when you hold me close  
(I'll tell you tell you that you need me so)  
Do it, do it darling don't say no  
(I want you back don't you let me go)  
Loving me isn't undone that easily  
Easy come easy go take me back  
I'm running back, back, back to you

Baby baby when you hold me close  
(I'll tell you tell you that you need me so)  
Do it, do it darling don't say no  
(I want you back don't you let me go)  
Loving me isn't undone that easily  
Easy come easy go take me back  
I'm running back, back, back to you  
Back to you
