Electric Jesus

Â"IÂ'm your Electric JesusÂ"

Â"Well well wellÂ"

Who can move a mountain, turn water into wine?

Who has got a magic touch

and a spirit just as fine?

I rub my hands together,

the rivers will divide.

Confess it to your conscience,

I will fill you from inside Â- oh yeah

IÂ'm your Electric Jesus

Well, well, well

(save me)

IÂ'm very glad to meet you.

Supersonic servant,

a master of each vice.

A nuclear charged Messiah

gonna take you for a ride.

IÂ'm a Hooligan with etiquette,

barbarian with style.

A spy in your house of love

IÂ'll kill you with my smile Â- oh yeah

CHORUS

(electric)

IÂ'm your Electric Jesus

Yeah yeah yeah.

(save me)

IÂ'm very glad to meet you.

To all of my disciples,

all around the world.

Trust my resurrection,

this messenger of love

is coming to you.

(electric)

IÂ'm your Electric Jesus - Look out!

“I’m your Electric Jesus”
“I’m your Electric Jesus”
I’m your Electric Jesus
Well well well
(save me)
I’m very glad to meet you.
To all of my disciples
all around the world.
Trust my resurrection
this messenger of love,
you better believe it.
(electric)
