Ever since the day that I met you
My head's been spinning 24/7 through
I can't get you out
I'm stuck in the middle with you
I can't get you out

I wanna know, if you would let me through?
I wanna know, can I come to you?
You wanna show, my love belongs to you
Can you feel it the way I do?

I wanna know
(X 3)

In my head where up is down and inside's out
I tried to figured out the way to leave my doubt
Somebody tell
I wanna know right from wrong
Somebody tell

I wanna know, if you would let me through?
I wanna know, can I come to you?
You wanna show, my love belongs to you
Can you feel it the way I do?

I wanna know
(X 3)

Somebody tell
I wanna know right from wrong
Did Somebody tell?

I wanna know, if you would let me through?
I wanna know, can I come to you?
You wanna show, my love belongs to you
Can you fill it the way I do?
(X 2)

I wanna know
(X 2)

I wanna know
Wanna know
Wanna know
Wanna know
