Oh my love...

The first time that you spoke my name  
It somehow sounded not the same  
Was like I knew from the moment on  
And this is what I'm living for, faith had opened up the  
door  
And who am I to say that heaven could be wrong

(Chorus)

If it's all I ever do  
I would give my heart to you  
And I will do it faithfully until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I made mistakes but I did one thing  
right  
'Cause I was meant forever loving you  
If it's all I ever do oh... my love

Baby when I look at you standin' there so pure and  
true  
Don't know what I did to deserve  
The way you smile, the way you touch, the way you're  
kissing me so much  
I must be the luckiest man in the whole wide world

(Chorus)

If it's all I ever do  
I would give my heart to you  
And I will do it faithfully until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I made mistakes but I did one thing  
right  
'Cause I was meant forever loving you  
If it's all I ever do oh... my love

You'll do anything on earth for me  
And it makes me love you more  
'Cause baby you're the only love I need

(Chorus)

If it's all I ever do  
I would give my heart to you  
And I will do it faithfully until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I made mistakes but I did one thing  
right  
'Cause I was meant forever loving you  
If it's all I ever do oh... my love

ooh... I Ever do
