So frustrated, I'm not getting' through to you  
So annoying, don't know what to do about you  
Is there any special secret I should know?  
Can you give a hint of witch way I should go?  
I'd like to be invited to the show

Why won't you hear me, see me, feel me?  
Get it into your head before I go on  
Why won't you hear me, see me, feel me?  
I'm standing right in front of you, I am not invisible  
Oooohhhh

It's irritating, wish we'd never met No, no  
Cause your attention is so hard to get, Yeah  
Is it really that hard for you to see?  
All you have to do is take a look at me  
It's time to throw away the lock and key

Why won't you hear me, see me, feel me?  
Get it into your head before I go on  
Why won't you hear me, see me, feel me?  
I'm standing right in front of you, I am not invisible  
Oooohhhh

It's getting critical, you see  
There is almost nothing left on me  
I'm not into things like wait and see  
Maybe I'm invisible to you  
Then I got other things to do  
Like finding someone new

Why won't you hear me, see me, feel me?  
Get it into your head before I go on  
Why won't you hear me, see me, feel me?  
I'm standing right in front of you, I am not invisible

Why won't you hear me, see me, feel me?  
Get it into your head before I go on  
Why won't you hear me, see me, feel me?  
I'm standing right in front of you, I am not invisible
