There is a girl she means everything to me
I close my eyes and this girl is all I see
I like her smile, yes I do
Yes I do
Yes I do
And everytime I look into her eyes
I see this blue-eyed angel in disguise
She's all I need and she's all I really want
Really want

I can see her
When I'm dreaming
Wish my dreams could be true

(Chorus)
Someday, somehow
You will be mine and I will be yours, I know
Someday, somehow
All that I want is to spend all my time with you
Someday I do

My heart is breaking everytime I see her face
I like to hear every single word she says
And knew I liked her
Yes I do
Yes I do
Yes I do

I can see her
When I'm dreaming
Wish my dreams could be true

(Chorus)
Someday, somehow
You will be mine and I will be yours, I know
Someday, somehow
All that I want is to spend all my time with you
Someday I do

Wanna feel her, wanna hold her
Oh this girl's so fine
And I need her, and I want her

Gonna make her mine

(Chorus)

Someday, somehow

You will be mine and I will be yours, I know

Someday, somehow

All that I want is to spend all my time with you

Someday I do

Someday I do

Ohh, someday I do

Someday I do
