Stay, stay, stay
Stay by me now, dont walk away.
Stay, stay, stay
Stay by me now, dont walk away.

Lonliness can kill a guy, baby please don't say
goodbye
Without you girl I couldn't live, stay by me cause I
've got so much mor to give.

Yeah

In your eyes I can se yuor pain, how can I make you
smile again?
I can change my ways for you, baby there only oen
thing I want you to do.

Come on and stay, stay, stay
Stay by me now, dont walk away.
Stay, stay, stay
Stay by me now, dont walk away.

Can't you see my love is true, I never find antoher
you.
I'm sorry I didn't treat you right, baby just stay with
me tonight.

Oh stay, stay, stay
Stay by me now, dont walk away.
Stay, stay, stay
Stay by me now, dont walk away.

And if you go I surely die, cause lonliness can kill a
guy.
In your hands you hold me heart, baby we should never
be apart.
Never be apart.

Stay, stay, stay
Stay by me now, dont walk away.
(Scubiduamduda)
Stay, stay, stay

Stay by me now, dont walk away.

Everybody come on,
Stay, (Won't you) Stay, (won't you) stay
Stay by me now, dont walk away.
(Scubiduamduda)
Stay, stay, stay
Stay by me now, dont walk away.
