Many times I have tried  
To get in your life  
But you're already taken  
People treating you wrong  
They drag you along  
You're taken for granted

Things, they ain't gonna be like before  
I won't let them hurt you no more

(Chorus)

Listen girl, you don't have to worry  
I won't make you sorry  
Like the other ones do  
Take your time, there's no need to hurry  
Baby, believe in  
You should never be alone

Loved you first in the past  
Now it's closer to last  
Your mouth's gonna drifting  
Take some time to decide  
When the feeling is right  
You know I'll be waiting

Things, they ain't gonna be like before  
I won't let them hurt you no more

(Chorus)

Listen girl, you don't have to worry  
I won't make you sorry  
Like the other ones do  
Take your time, there's no need to hurry  
Baby, believe in  
You should never be alone

Why don't you take a chance on me  
It will be your last  
That's why I'm put on earth to love you  
And if you take a chance on me  
I will never let you go

Many times I have tried  
To get in your life

(Chorus)

(Listen girl...)

Listen girl, you don't have to worry

I won't make you sorry

Like the other ones do

Take your time, there's no need to hurry

Baby, believe in

You should never be alone

Listen girl, you don't have to worry

I won't make you sorry

Like the other ones do

Take your time, there's no need to hurry

Baby, believe in

You should never be alone
