Never do the things that I said I would
Never do the things that I should
Iâ€™m sorry if I let some of you down
I will try to change

(Bridge)

â€™Cause I have been through the tunnel
And I came out on the other side
And Iâ€™ve been hiding
What I have kept on the inside

(Chorus)

But itâ€™s lonely so lonely
Surrounded by a million people passing
It is lonely so very lonely
I ainâ€™t free to the day they saved me
Noo

So what if Iâ€™m slow this is who I am
I may come of cold I know
But first impressions does not always count
Donâ€™t expect it to

(Bridge)

(Chorus)

â€™Cause I canâ€™t change over night
I will have to take a long way
And Iâ€™m movinâ€™ down
Because this floor is too crowded ohh

It is lonely so lonely
Ohh no no no

And it is lonely so lonely
Surrounded by a million people passing
And it is lonely so lonely

No oh oh I won't be free
â€™Cause itâ€™s lonely so lonely
Iâ€™m surrounded by a million people passing

It is lonely oh so lonely
I ain't free to the day they saved me
I ain't free to the day I've been through the tunnel
And I came out on the other side
