I feel it in my fingers  
I feel it in my toes  
Your love is all around me  
And so the feeling grows

It's written on the wind  
It's everywhere I go  
So if you really love me  
Come on and let it show

You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cos on my love you can depend

I see your face before me  
As I lay on my bed  
I kind'a get to thinking  
Of all the things you said

You gave your promise to me  
And I gave mine to you  
I need someone beside me  
In everything I do

You know I love you, I always will  
My mind's made up to by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend

Oh, It's written in the wind  
Its everywhere I go  
(Oh yes it is)  
So if you really love me  
(love me, love me, love me)  
Come on and let it show  
Come on and let it,  
Come on and let it  
Come on and let it,  
Come on and let it show
