So it's heading up the weekend
I will make myself some time - to ease my mind
Even if things could go badly
I'm not the complaining kind - I just wonder why

-BRIDGE-

And now the mood is up for dancing
That's what made me feel so high, so right.

-REFR-

No one else will do, better girl than you will do
And it's good to me, baby what you do to me
Never let it go, come and give me more
And we're moovin' and groovin' across the floor
No one else will do, better girl than you will do
And it's good to me, baby what you do to me
Never let it go, come and give me more
And we're moovin' and groovin' across the floor
(across the floor)

ohh,ohh, hmm....across the floor

All the people out there movin'
Doin' what they're doin' - everywhere
I was hanging with somebody
Drinking a few honeys - at my chair

-BRIDGE-

And then I saw this pretty lady
Think that she was making destiny - in my head (ooh)

-REFR-

No one else will do, better girl than you will do
And it's good to me, baby what you do to me
Never let it go, come and give me more
And we're moovin' and groovin' across the floor
No one else will do, better girl than you will do
And it's good to me, baby what you do to me
Never let it go, come and give me more
And we're moovin' and groovin' across the floor

(drums)

yeaah
No one else
aahhh
Give me more
No one else will do, better than you will do
Better than you
All trough the night
Give me more
moovin' ,groovin' ohhh

oh, oh listen

And were movin' and groovin' across the floor, across
the floor
