It's been seven hours and fifteen days  
since you took your love away  
I go out every night and sleep all day  
since you took your love away  
since you've been gone I can do whatever I want  
I can see whomever I choose  
I can eat my dinner in a fancy restaurant  
but nothing  
I said nothing can take away these blues

cause nothing compares  
nothing compares to you

It's been so lonely without you here  
like a bird without a song  
nothing can stop these lonely tears from falling  
tell me baby where did I go wrong  
I could put my arms round every boy I see  
but they'd only remind me of you  
I went to the doctor guess what he told me  
guess what he told me  
he said girl you better try to have fun  
no matter what you do  
but he's a fool

cause nothing compares  
nothing compares to you

All the flowers that you planted mother  
in the backyard  
all died when you went away  
I know that living with you baby was sometimes hard  
but I'm willing to give it another try
