Go go go go go go go go

I'm feeling hot today.
I'm gone make you sway.
So when I count to four, we're going
Out that door, it's time to hit the
Floor.

Ref:
Olé Olé come on lets get exited.
Olé Olé I will never be divided.
All around the world every boy
And girl, raise your hands and
Say Olé Olé.

Remember when we sang?
"just like a boomerang"
So all the girls
And boys you have to raise your
Voice, it's time to make some
Noise.

Ref*2

Olé Olé go go Andrés
Olé Olé go go Andrés
Olé Olé go go Andrés
Olé Olé go go

Come on

Ref*2

All around the world every boy
And girl, raise your hands and
Say Olé Olé.
