Oceans apart, day after day
And I slowly go insane
I hear your voice, on the line
But it doesn't stop the pain
If I see you next to never
How can we say forever

Wherever you go, whatever you do
I will be right here waiting for you
Whatever it takes, or how my heart breaks
I will be right here waiting for you

I took for granted, all the times
That I thought we'd last somehow
I hear the laughter, I taste the tears
But I cant get near you now
Oh cant you see it baby
You got me going crazy

I wonder how we can survive this romance
But in the end if I'm with you I'll take the chance

Oh cant you see it baby
You got me going crazy

Waiting for you
