You keep buying me with flowers, I'm just counting  
every hour  
I don't think of you anything, I won't pretend I'm your  
little thing  
Now I'm ready to break free, no words can stop me

Your touch doesn't light my fire, real love is my one  
desire  
Stop to give the dinners that you're bringing to me, oh  
Cause it's not enough to satisfy me, oh, to satisfy me

A big house, it is not impressed, a fast car, I just  
couldn't care less  
If you think, you know what I mean  
But hey, you don't make my heart beat  
Now I'm ready to break free, no words can stop me

Your touch doesn't light my fire, real love is my one  
desire  
Stop to give the dinners that you're bringing to me, oh  
Cause it's not enough to satisfy me  
Your kiss doesn't take me higher, I miss something that  
inspires  
Don't try to convince me that we were meant to be  
Cause you're not enough to satisfy me

Understand me, it's got to be for real  
I just need some passion, satisfy, oh yeah

Your touch doesn't light my fire, real love is my one  
desire  
Stop to give the dinners that you're bringing to me, oh  
Cause it's not enough to satisfy me  
Your kiss (your kiss) doesn't take me higher  
I miss (I miss) something that inspires  
Don't try to convince me that we were meant to be  
Cause you're not enough to satisfy me  
Your touch (your touch) your kiss (your kiss)  
Your touch (your touch) something that inspires  
Cause you're not enough to satisfy me.
