There's a new wind blowin' like I've never known  
I'm breathin' deeper than I've ever done  
And it sure feels good, to finally feel the way I do  
I wanna love somebody, love somebody like you.

An' I'm lettin' go of all my lonely yesterdays  
I've forgiven myself for the mistakes I've made  
Now there's just one thing, the only thing I wanna do,  
mmm, mmm  
I wanna love somebody, love somebody like you.

Yeah, I wanna feel the sunshine,  
Shinin' down on me and you  
When you put your arms around me,  
You let me know there's nothing in this world I can't do.

I used to run in circles goin' nowhere fast.  
I'd take, uh, one step forward and two steps back.  
I Couldn't walk a straight line even if I wanted to, mmm,  
mmm.  
I wanna love somebody, love somebody like you.

Whoa here we go now! Yoo  
--- Instrumental with ad libs ---  
Hey, I wanna love you baby. Come on

Yeah, I wanna feel the sunshine,  
Shinin' down on me and you.  
When you put your arms around me,  
Well, baby there ain't nothing in this world I can't do.

Sometimes it's hard for me to understand,  
But you're teachin' me to be a better man.  
I don't want to take this life for granted like I used to  
do, no, no.  
I wanna love somebody, love somebody like you.

I'm ready to love somebody, love somebody like you.  
Oooh.

And I wanna love somebody, love somebody like you,

yeah.

Hey, I wanna love you baby.

--- Instrumental ---

Oh, yeah

Oh, yeah

Oh, I wanna be the man in the middle of the night,  
Shinin' like it's true.

I wanna be the man that you run to whenever I call on  
you

When everything that loved someone finally found it's  
way

Wanna be a better man

I see it in you yeah...
