Singer: Andrés Esteche

Written by: Fernando Fuentes Vargas

I am happy to see you it's been so long.  
Say who told you that I was here?  
Never thought I would meet you since you've been  
gone  
and I cried so many tears.

Bridge:

Say again you can't move on and now you love me so  
much more  
It's never to late and now your here to stay, here what I  
say.

Chorus:

So just stop now turn around  
forget about me cause nothing we found  
I made up my mind and there's nothing you can do  
and I'm not gonna cry my nights over you (x 2)

Baby you were the one who left me all alone  
and you broke my heart in two.  
Finally I moved on and found a love so true  
I should give my thanks to you

Bridge

Chorus:

So just stop now turn around  
forget about me cause nothing we found  
I made up my mind and there's nothing you can do  
and I'm not gonna cry my nights over you (x 2)

Interlude

Chorus:

So just stop now turn around  
forget about me cause nothing we found  
I made up my mind and there's nothing you can do  
and I'm not gonna cry my nights over you (x 4)
