Been lost
but now I'm found
I'm strong
though I'm all alone
I need
spend some time with me yeeah

I've walked
citystreets
I've searched
a perfect game in me
some excitements in my life yeeah

but how do you think ---
before I had even come home

This is how love goes
day by day
do you think you know
the perfect way
are --- in love
letting it fly away

the day
I remember the most
is the day
that I saw a ghost
now I
I am better off of my own yeeah

this is how love goes
day by day
do you think you know
the perfect way
are --- in love
letting it fly away

Now there was a time when I thought I'd never get by
now I know
but the memories helped
made me strong

helped me to fly
oooh flyyyy

this is how love goes
day by day
do you think you know
the perfect way
are --. in love
letting it fly away

this is how love goes
day by day
do you think you know
the perfect way
are --- in love
letting it fly away
letting it fly away
