TOO MANY NIGHTS

They say that I get bay
They say that love can make you blind
I found another - another just is mine
I know it still so much am saying
so much we both regreter
this emptyness is so hard io face
without you

REF: Too many nights here all alone
Too many tears
Too many reasons not to let go

Too amny nights I still holging on
Nothing feels tracks seans you bin goon
Cause ever seans you said goodbye
my life is filled with too many nights

You were my everything
You were my fire inside of me
You were my lafter my hopes and my dreams
Now those days feels like yesterday
but somehow I still keep
praying too find away to make you love me

REF: Too many nights here all alone
Too many tears
Too many reasons not to let go

Too amny nights I still holging on
Nothing feels tracks seans you bin goon
Cause ever seans you said goodbye
my life is filled with too many nights

We have forever
now we just learn so far
Do you remember
looking your heart --

REF: Too many nights here all alone

Too many tears
Too many reasons not to let go

Too amny nights I still holging on
Nothing feels tracks seans you bin goon
Cause ever seans you said goodbye
my life is filled with too many nights

REF: Too many nights here all alone
Too many tears
Too many reasons not to let go

Too amny nights I still holging on
Nothing feels tracks seans you bin goon
Cause ever seans you said goodbye
my life is filled with too many nights
