Ida:

I feel just like I am lost in time. An sudden move and I  
find a new way in the crowd.  
Feel the --- of your beautiful skin, it helps.  
I saw the man on the moon pass me by. I tried to give  
him a kiss, but I started to cry.  
I feel just like I am lost in space. So tell me.

Chorus:

What did I do, what did I say?  
That make you make in mysterious ways.  
How would I know, how far you would go?  
To help me hang oon.

You look at me in a different way. You look at me but  
you don't really know what to say.  
I find a seans of despear within' your soul.

Chorus:

What did I do, what did I say?  
That make you make in mysterious ways.  
How would I know, how far you would go?  
To help me hang oon.

I am alone, I am all alone.  
You left me a ---  
I say to you: What did I do, what did I say?

Chorus:

What did I do, what did I say ?  
That make you make in mysterious ways.  
How would I know, how far you would go?  
To help me hang oon.

What did I do (what did I do), what did I say (what did I  
say)?  
That make you make in mysterious ways.  
How would I know, how far you would go?  
To help me hang oon.

What did I do , what did I say?

That make you make in mysterious ways.  
How would I know, how far you would go?  
To help me hang oon.
