Long that I remember  
The raining coming down  
Louts of mystery pouring  
Confused on the ground  
Gone now throw the ages  
Trying to find the sun

REF:

And I wonder  
Still I wonder  
Who'll stop the rain?

I went down Virginia  
Cycling chanter from the store  
Cut a fender fable  
I watch the covered road  
Five new plans of new does  
Running up the golden change

REF:

And I wonder  
Still I wonder  
Who'll stop the rain?

Birdies sager flying  
How we share for more  
Crowded crush together  
Trying to keep warm  
Still the rain keep pouring  
Falling on my hairs

REF:

And I wonder  
Still I wonder  
Who'll stop the rain?

Who'll stop the rain? ( X 3)
