Can't move on holding on,
No i know you don't care,
It's all gone you walked on like you never been here,
In your face i can't se any traces of my
gave it up for a love affiar

Refr
Gave it all to you
tell me how could you
turn so easy away from me.
I was true is she
will she love like me why
give up so easisaly

I close my eyes and see her face
tine ass and silces eyes
morning next to you all add

It's not you it is me, think i've heard it before
on your one took me free but when i walked out your
door
she was there wiped your tears, Like i've never been
there..
played my part and it's eating me

Refr
Gave it all to you
tell me how could you
turn so easy away from me.
I was true is she
will she love like me why
give up so easisaly

I close my eyes and see her face
tine ass and silces eyes
morning next to you all add
