It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine  
That's your way  
You always walked a step behind

So I was the one with all the glory  
While you were the one with all the strain  
A beautiful face without a name  
For so long  
A beautiful smile to hide the pain

Did you ever know that you're my hero?  
And everything I would like to be  
I can fly higher than an eagle  
For you are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know, I know the truth  
Of course I've known it  
I would be nothing without you

Did you ever know that you're my hero?  
And everything I wish I could be  
I can fly higher than an eagle  
For you are the wind beneath my wings

Did I ever tell you, you're my hero?  
You're everything, everything I wish I could be  
Oh and I, I can fly higher than an eagle  
For you are the wind beneath my wings
